December 10th – 14th 2018 | Mumbai

In Collaboration With

Normes Decodees
pvt ltd

Mr. Ashish Gaur, Principal Trainer of BRC Global Standards

Approved Training Partner (ATP) of BRC for Global Standards of Food Safety V8, Packaging and Packaging Material V5, Storage & Distribution V3 and Agents & Brokers V2.

A Chemical Technologist (Food Technologist) from HBTU having 23 years of industrial experience in various Food Sectors and Auditing, Training and Certification. He has conducted more than 2000 man-days in auditing and training for leading organizations globally.

He is a qualified auditor of BRC Global Standards, ISO 22000:2005 (FSMS), FSSC-Food & Packaging, HACCP, GMP, GCP, HCE, Global GAP, Organic, ISO 9001, ISO 14001, OHSAS 18001, SA 8000, SQF 2000, TSH, ISO 22716 & EffCI apart from Private Label standards. He has worked for SGS, BV & Intertek.

Aim of the standard is to specify food safety, quality and operational criteria for food processing and manufacturing organisation in order for it to fulfil its obligations with regard to legal compliance and protection of the consumer.

This course is designed as an active learning module and includes exercises, group discussions and games, summarizing sections, role plays, and reviewing learning for better understanding of the standard.
